FOUND OBJECTS - CD MIRROR

The swing is made by alternating the pages in binders that I found in the Tidemann building. Because of the friction of the pages, the surface of the binders can carry the weight of a person. I placed the swing in front of the opening on the first floor so you can escape the outside for a second before gravity pulls you back inside.

## FOUND OBJECTS - THE OFFICE SWING

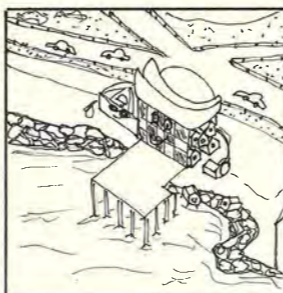

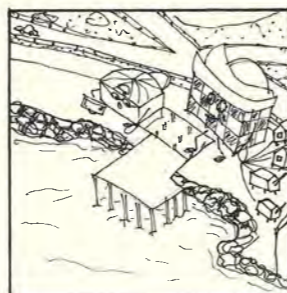

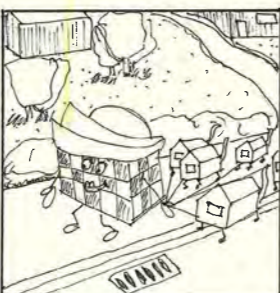

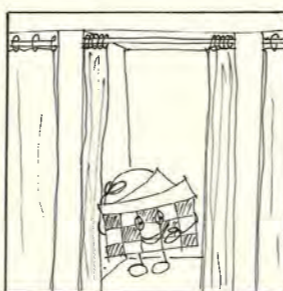

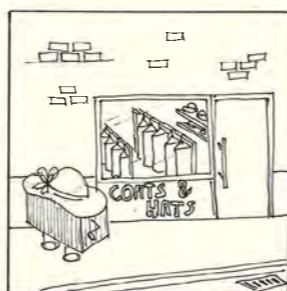

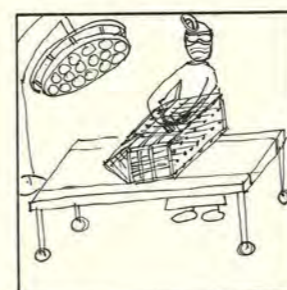

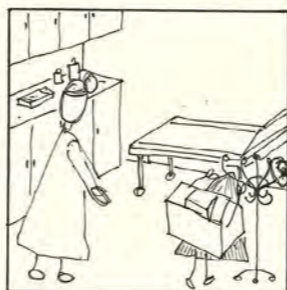

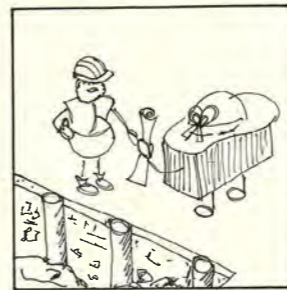

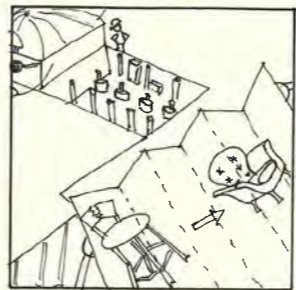

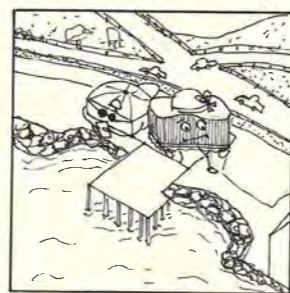

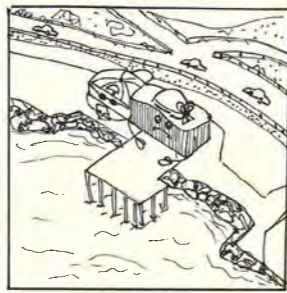

FOUND OBJECTS - 'TIME FOR FIKA'

ØRNES - SITE MODEL

The story of Mrs. Tidemann

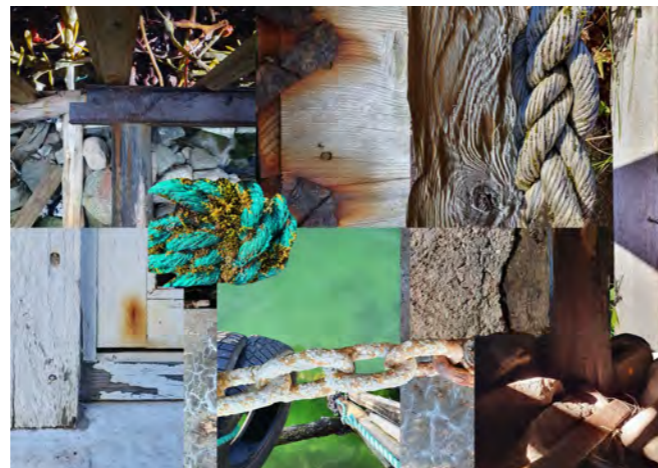

The old lady sitting silent on the towns front porch, looking at the people arriving and leaving, knowing everybodys little secrets.

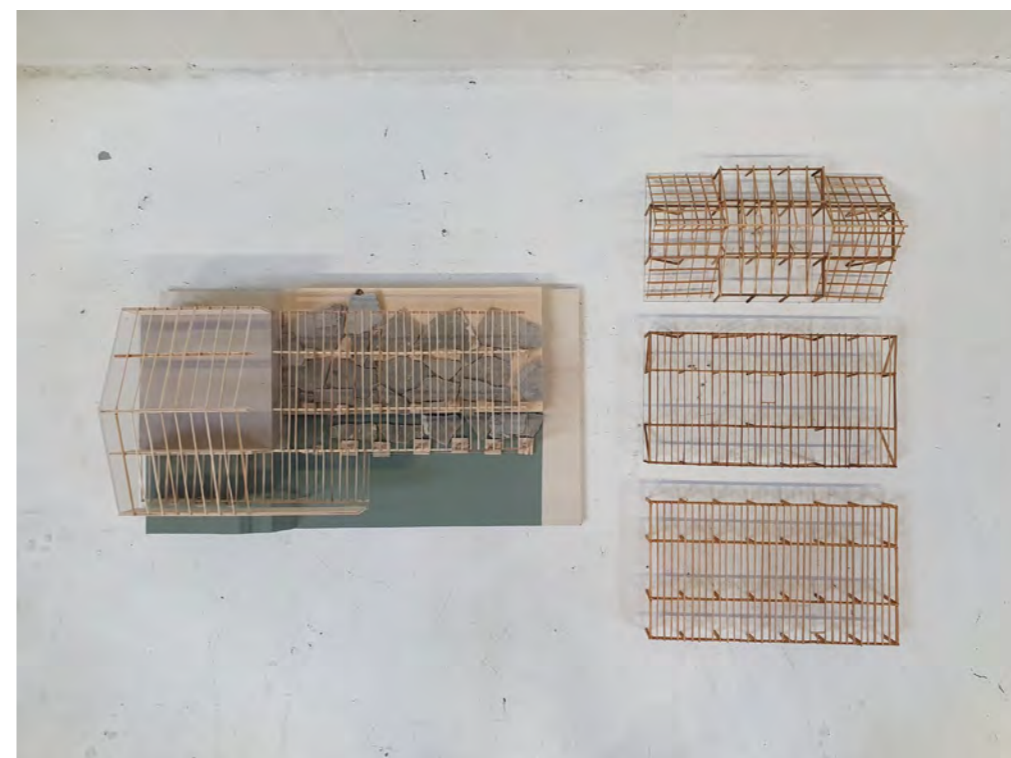

her skin,

her mind

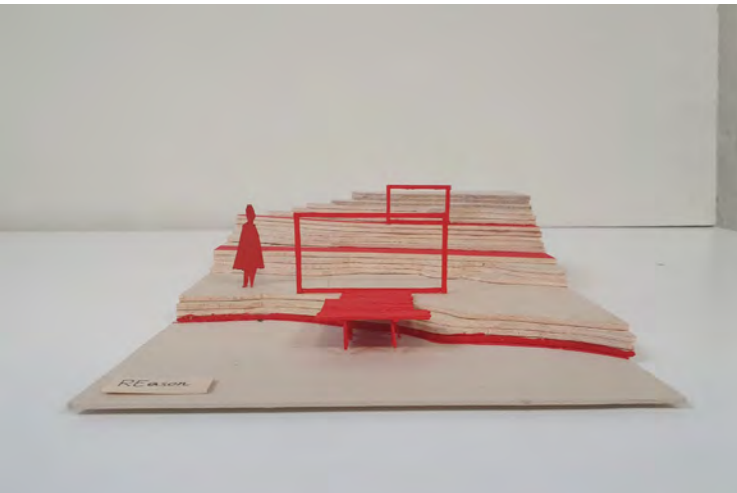

And her friend
