

## **STUDENT ID-KORT**

Each student at BAS will receive an ID-card when they start at school. This costs NOK 150,-. Every semester you will receive a sticker from SAMMEN that shows you have valid student status. The sticker can be picked up in the administration at the beginning of each semester.

The ID card is also a **KEY CARD** that you need in order to have access to the school outside ordinary opening hours. The card must be activated and you need a personal code. This will be done by contacting the caretaker/janitor. His opening hours are between 0900-1500. The office is situated in the hall, underneath the stairs up to the messanin.

In addition you will need a **KEY TO THE GATE** outside school. This you can pick up in the administration by paying a deposit of NOK 200,-, which you will have returned when you are done at BAS. You can pay by cash or vipps. (No bank terminal)
